HAVURAH ENROLLMENT FORM

A Havurah is a small group of CABI members who meet regularly to participate in study, worship, celebration and friendship. The Havurah experience is for people who are willing to give of themselves and work towards building this unique communal bond. Each Havurah decides on its own meaningful program based on its own needs. Community and Membership committee members or synagogue staff are available to offer guidance and help.

By submitting this form your name will be put in an active file. Once we receive enough requests from people with your specific interests you will be notified of the first meeting of your Havurah.
